JHUNJHUNU

Veero Ki Bhumi : SHEKHAWATI

Jhunjhunu, located in the Shekhawati region of Rajasthan, is the administrative headquarters of Jhunjhunu district. The Jhunjhunu district stands out among Rajasthan's districts. It is known as "the land of the soldiers." It is also known as the district that provides one of the highest numbers of defence personnel & martyrs every year. It has held the honour of serving the nation's defence since before its independence.

It aids the Indian economy by exporting handicrafts, handlooms, pickles, and other items. It is a district of business magnets. Many popular business family names come from Jhunjhunu, like Birla from Pilani, Piramal from Bagar, Jhunjhunwala from Jhunjhunu, Kedia from Ked, Singhania from Singhana & Ranasarria from Ranasar.

While still being connected to its traditional culture and heritage, Jhunjhunu has embraced modernity in the context of multiplexes, branded showrooms, shopping malls, and multi-cuisine restaurants.

It is one of the prosperous districts of Rajasthan and with so many places to visit in Jhunjhunu, the town has become a very famous tourist destination and has been attracting flocks of tourists. Hemmed by the green carpeted hills, the town lets you explore the best of nature, architecture and tradition.

From places like the Rani Sati Temple, which sits on a high hill and overlooks the whole town to the elegant Mertani Baori exhibiting the brilliance of ancient architecture, the town of Jhunjhunu will provide you with various scenic marvels.

Exhibiting the grandeur of the past, the entire town is loaded with architectural prowess which can be the best backdrops for your photography sessions. Be it the shining Sone Chandi Ki Haveli or the brilliant mirrored interior of Modi and Tibrewal Haveli, all of these famous places in Jhunjhunu house relics and paintings dating back several decades. Mandawa in Jhunjhunu is also known as the town of havelis, some of which also double as hotels. It is also famous for desert safaris and Bollywood shooting.

Jhunjhunu is well connected to the rest of India by rail and road. Regular bus services ply to and fro the city of Jhunjhunu; buses being operated both by private and government owners.

BY ROAD Jaipur : 180 Km (via Sikar) 3 hours drive on Jaipur - Pilani Road Delhi : 220 KM (via Gurgaon - Rewari - Narnaul - Chirawa) 4.5 hours drive.

BY TRAIN Jhunjhunu is well connected to major cities in India by electrified broad gauge railway.

Trains run on a weekly and daily basis between Jhunjhunu and Delhi, Jaipur, and Mumbai, Bhopal, Nagpur, Tirupati.

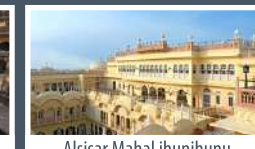

Trains run weekly between Jhunjhunu and Kota, Lucknow, Prayagraj, Mathura, and Hyderabad.

Geography of JHUNJHUNU

Jhunjhunu, located at 29°6' North and 75°25' East, has a total area of 9.64 Sq Km. Just as in rest of Shekhawati, the area around the town is semi arid and it does not have any rivers or lakes nearby. The people here have to depend totally on underground water. The monsoon is short here. It generally rains in July and August only. Moreover, the summers are truly hot here with temperature reaching up to 50°C and the nights are pleasant. Contrarily, the winters are very cold in Jhunjhunu with temperature reaching as low as 0°C or even lower.

MANAGING DIRECTOR

Message

Small kids love to dream, play & enjoy every moment of their lives. I have always strived very hard to develop a method to make children learn the way they want & not the traditional way the normal teachers want to teach. A visionary teacher laughs with children, talks like children, imagines like them, immitates them, touches them like mother & feels the way they feel. Let's them grow with the mother nature, facilitate them to blossom like flowers, influence them to fly like butterflies, flow like river, dance like air, sing like streams. I believe the approach & pedagogy is more important than content of curriculum, emotions are more important than technology. So all my long 40 years pathway was full of emotional bonding with my school teachers & children. The Green School concept was also aligned with the same thought. My training programs & workshops with mother teachers & other teachers was always filled with lots of ideas to make them enjoy teaching & learning joyfully. When I review & rewind the milestones left behind I endorse again & again ' **Yes, I did what I always wanted to do & what I should have done**'. It keeps me encouraged & charged because I believe in developing good human beings rather than emotionless machines. So my dear children "**Bloom where you are planted**".

CHAIRMAN'S

Message

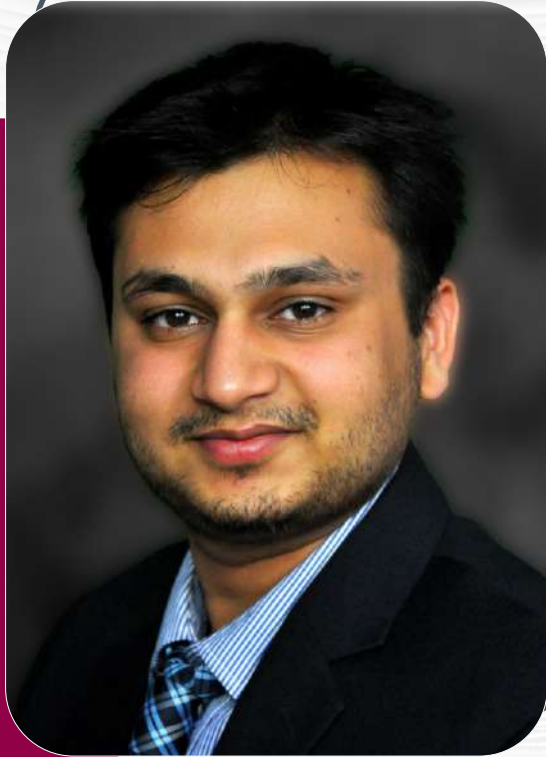

I like the noise of young children & always like to remain young physically as well as mentally with them. It's my passion to play, sing, dance, talk, debate, ask questions, remain curious, innovate, search newer horizons, run after virgin ideas & what not as long as possible & thus no other field is better than the Evergreen School Education. I thank God because he chose School Education for me as my ONLY career & profession. Against the dream of every common man to search for career options in big cities & countries, mine was a reverse journey as I was born & bought up in Mumbai but chose to establish Educational institute in a very small undeveloped town Jhunjhunu in 1983. But when I look back now in 2023 after long 40 years I feel greatly content & confident about my journey & achievements so far. Although with the technology & the world changing very rapidly I still have miles to go before I sleep & remain Young Learner ever. That's why in my Second innings I have now started my dream project Sports School to remain fit & make India fit, young & intelligent to be the world leader.

SCHOOL DIRECTOR'S

Message

Education in today's world is not limited to the traditional 'chalk and talk' method. With my experience of education abroad, we have implemented latest technology and digital teaching aids for teachers and students to ensure most relevant learning environment in this dynamic world. We are committed to provide the best possible infrastructure expected from leading school. Once in the classroom, a student should not feel any different from a classroom of any modern metropolitan.

We are a certified 'Google for Education' School.

PRINCIPAL'S

Message

In my experience, the key to a child's success is personal attention. Every child is Unique, has unique dreams, unique aspirations and a unique way of learning. By putting in that extra effort to understand the students we are able to bring out the best in them. My team is regularly trained to keep the classroom environment friendly yet productive.

CREATIVE DIRECTOR'S

Message

"Teachers are an institution's most valuable asset, not its infrastructure, buses, or collaterals."

Every classroom contains students with diverse learning styles and needs. One-size-fits-all teaching methods are ineffective, particularly when the goal is to teach children for life. A 21st-century teacher must also be a 21st-century learner, open to re-invention, failure, experimentation, and exploration. As a result, we conduct numerous workshops each year to assist educators in the jolly angels, middle, and secondary segments in improving their skills.

Our teacher training workshops serve as guiding tools, empowering teachers to blend technology with teaching- learning practice and also assisting them in falling in love with what they do. Eventually, assisting educators in developing interactive teaching and learning strategies.

The benefits of these sessions include increased confidence; creative thinking and personality development of our young learners. So, they turn out to become happy and blissful individuals.

VICE - PRINCIPAL

Message

Jhunjhunu Academy School has its deep roots in the field of education. Our students have reached the greater heights as inspired by our school's motto – "ALWAYS AIM HIGH".

Our goal is to bring out the best in kids and help them become better citizens. Jhunjhunu Academy strives to instill in its students' academic achievement, a feeling of duty, discipline, and, most importantly, moral and humanitarian values, which are in high demand right now. We can create children emotionally strong and robust by understanding and acting on their needs, particularly their emotional needs.

Parents and guardians have also been extremely cooperative and supportive in carrying on our legacy in this educational endeavor.

JHUNJHUNU ACADEMY

Our VISION

We believe that the most essential thing is to make the correct decisions at the right time. So, we provide education with the goal of empowering students to make decisions, develop creative solutions, and create effective action methods.

Rather than forcing children to pick the correct route, we believe in presenting them with as many options as possible. We also coach the students' paths gradually while keeping their temperament and personal skills in mind. This enables students to acquire; show, and value knowledge and abilities that will help them succeed as life-long learners and practice the core values of the school: respect, tolerance, innovation and excellence.

CHEERFUL, SPIRITUAL AND POSITIVE BEGINNING TO THE DAY

Morning Assembly : Besides prayer, morning assembly at Jhunjhunu Academy is very colorful and provides a big platform for developing public speaking abilities and confidence because it is held entirely in English. It is conducted on a rotating basis with planned content for each age group under the supervision of teachers in order to bring out the best in every child. It appears to be a musical utopia, with several melodic school and house prayers in both Hindi and English.

House System : From the day of admission, students are initiated into the house system through a computer-generated random distribution mechanism and are gradually introduced to the ethos of the institution, which stays with them throughout their academic journey. Houses are also allocated to all the teachers in the school.

School has four houses: Neptune, Mercury, Venus and Jupiter. Throughout the year, students compete for the "House of the year" trophy by participating in various Inter - House cultural, literary and sports competitions. House 'On Duty' conducts the morning assembly on pre-decided rotation basis and organizes the events in the week. This helps to build leadership capacities & imbibe a feeling of belongingness and responsibility.

HI-TECH SCIENCE LABS

A laboratory opens the mind of the child to the huge world of science as he/she verifies whatever he/she learns in theory in a laboratory.

The school has well equipped separate science laboratories for the subjects of physics, chemistry and biology and general science.

Students are taken to the labs periodically to get them acquainted with the instruments of science and scientific learning.

VR CLASSROOM TEACHING

Virtual Reality(VR) technology has added a whole new dimension to the classroom education. It immerses the learner into a entirely new multi-sensory experience. Students can travel the world, explore the impossible, delve deep into complex subjects, and experience learning directly in the palm of their hand using virtual and augmented reality as learning tools - all from a safe, secure, and familiar environment: the classroom!

With an objective to have an extra edge on students - teachers performance, the formats of New Age School System are strictly followed by the school which majorly include -

NEW AGE SCHOOL SYSTEM

PSPR (4-Dimensional Periodic Syllabus Progress Report)

TDRF (Teachers Daily routine Format)

**MENTORS
MONITORING**

MODULE

It is our Special and Unique tradition of "GOD LENA" where every student is kept under the specific mentorship of school teacher. Here the mentor is just like a parent to the student and personally monitors their progress in every subject beyond the classroom. He/she coordinates with every subject teacher and remains in contact with parents/wardens so as to offer impeccable periodic mentorship and guidance by also visiting their homes or hostel rooms. The mentor also assesses them before & after every test or exam.

There is no bound to creativity. Jhunjhunu Academy provides a wide spectrum of art forms for students to explore under consistent guidance of professional artists who facilitate learning by doing. Students are exposed to origami, papier-mâché, clay modeling, drawing, painting, sketching, collage making, statue making, patch work, thread painting, modern art, model designing and a number of other forms of art. This stimulates the innate creativity of the child and makes learning fun.

EVENTS & CELEBRATIONS

CBSE NATIONAL BADMINTON CHAMPIONSHIP

We created history in the Shekhawati region by hosting the first CBSE National Badminton Championship in the 14,17, and 19 age categories on our international-quality badminton courts. This spectacular event drew over 700 participants from India as well as Arab countries such as UAE, Kuwait, Bahrain, Oman, and Qatar. There were 100 team managers, referees, umpires, and coaches with the players.

SUMMER CAMP

Every year, summer vacation features a summer camp. The kids' summertime activities (both indoor and outdoor) are created to provide them with the utmost excitement and delight. Since there is no academic pressure during this period, students can be who they truly are. Through Vedic math tricks, abacus, art and craft activities, multiple sports, trekking, dance and music, clay modeling, science experiments, and playful exercises, these interactive summer programmes help to uncover and explore the children's hidden talents and interests and help them to develop their skills.

DANDIYA GARBA FEST

On the occasion of Navratri, we regularly host the most amazing, spectacular, and splendid Garba and Dandiya fest over several nights in honour of Goddess Durga and to commemorate the spirit of "Matrashakti."

The crowd moves to Desi beats to the tune of the fantabulous DJ while donning flashy, multicolored clothing and holding attractive dandiya sticks. The excitement of the gathering is increased by a number of spectacular performances by invited guests. The adjacent food court also has a number of flavorful food stalls.

66th STATE LEVEL TOURNAMENT

We were fortunate enough to make history in Jhunjhunu by hosting the prestigious 66th Rajasthan state level tournaments for table tennis, lawn tennis, and badminton for both boys and girls in the 17-19 age categories. We also made history by becoming the first school in Rajasthan to host three tournaments at the same time. This magnificent sports event drew approximately 2160 players from 36 teams, as well as 500+ government officials from all 33 districts of Rajasthan.

FIT INDIA MOVEMENT

- ✓ The Government of India awarded us certification as a FIT India school, after meeting the strict criteria for diet, facilities, and coach credentials.
- ✓ Organization of 'FIT India Week' is our regular feature. As, we subscribe to the idea that importance of physical, mental and emotional fitness must be understood and followed from an early age.
- ✓ The district will always remember us for hosting a sizable "Open Mini Marathon 8K" to commemorate the government medical college's approval close to our campus. Over 5000 runners had registered up and started their races at 5 a.m. We had received an unprecedented support from the Local Administration and Govt. Departments under the guidance of District Collector Jhunjhunu.

SAARANG

SaaRang is the annual 2 Day New Year Gala Youth Carnival of Jhunjhunu Academy. It is the Biggest, Brightest and Awesomest School Fest of Rajasthan. During this fest, the school wears a festive look with illuminating faces of over 5000 student participants from around 42 schools and 55,000 visitors. An interschool dancing event is organized for the Shekhawati Sahodaya Complex schools as well.

JOLLY ANGELS

Pre Primary Segment

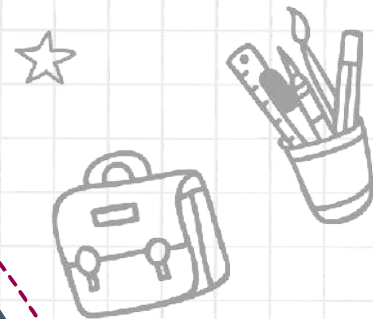

The key highlights of our Jolly angles culture are :

- ✓ Our **OWN DESIGNED CURRICULUM** is developed by a professional team and management with more than 30 years of experience in education.
- ✓ Our **OWN CAREFULLY CURATED BOOKS** are used for both practice and class assignments.
- ✓ The pace of the curriculum/ Learning is relatively slow in order to monitor kids' cognitive abilities.
- ✓ Limited students in a class so as to garner personal attention.
- ✓ Presence of multiple teachers who deal students with utmost care & **PATIENCE**
- ✓ Availability of attendants
- ✓ Infirmary and nap area
- ✓ Multiple teaching aids and playing & educational games kits.
- ✓ Building of Motor skills by gripping, puzzles, blocks, and bead & ball activities.
- ✓ Art & craft work, puppet, hand impression, coloring, clay modeling and free draw activities.
- ✓ Themes, rhymes, stories, song & dance.
- ✓ Sticking, cutting & pasting activities. And many more....
- ✓ At the puppet show theater, we constantly improve the child's vocabulary & expression; we also encourage them to perform. It helps them to get rid of stage fright & builds confidence.
- ✓ The Free Playroom provides opportunity for physical & social development of kids with the help of toys, slides, giant play stations. Kids have multiple play arenas including sand, grass & water. It is just play & fun, kids enjoy naturally & grow naturally.

“How one handles success or failure is determined by their early childhood”

Jolly Angels is our branded Pre-Primary segment specially designed for high potential kids of small towns. Every child is an adventurer, and we firmly think that every child is unique. Since this is the most important age for the formation of mindfulness, every approach and "day plan" at Jolly Angels has been tried and tested. We focus on creating an understanding and respect towards rich Indian values and work towards developing Wisdom in kids. Each day at Jolly Angels is fun for kids and when they go home they bring smiles on the faces of their family.

GREEN SCHOOL
with
PLATINUM RANKING

Developing the sense of environmental consciousness starts at school and it's pivotal that children grow up with the awareness to adapt a more sustainable lifestyle.

Our School leads the way in creating the environmental consciousness not only among students but amongst their parents, community members and other stakeholders.

To drive this sense of environmental responsibilities in pupils here are some of the important initiatives taken by the school:

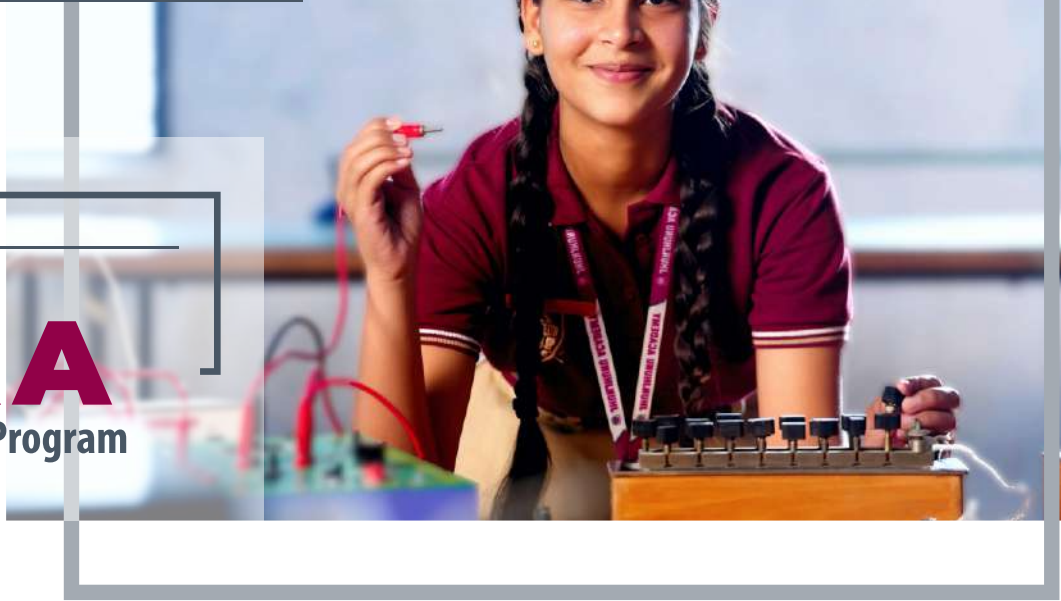

- ✓ We have a 35-acre campus covered in lush greenery and brimming with biodiversity.
- ✓ We utilize Solar Powered Electricity which reduces Carbon footprints and is a green and renewable resource of energy. Solar plants produce 130 kW of electricity every day.
- ✓ We have Sewage Treatment Plant which recycles 350 kL waste water and sewage and then that water is constructively used for the purpose of watering the lawns and plants and for flushing in toilets.
- ✓ We have Water Harvesting system that conserves rainwater for future use.
- ✓ School facilitates segregation of School waste as Bio-degradable and Non-biodegradable. So, as to prevent the waste being sent to land-fills.
- ✓ Garden Waste (fallen leaves, twigs, weeds) is composted in Leaf Composters.
- ✓ We send used stationary materials like exam answer sheets, question papers, practical files and plastic items for recycling.
- ✓ We conduct regular Plantation Drives to increase the green wealth of School Environment.
- ✓ We have conducted Clean India campaign in our school and prominent places in the city which was extremely successful.
- ✓ We celebrate Earth day International Ozone Day regularly to continue promoting environmental awareness and to constantly remind us that we can protect the earth in our everyday life.
- ✓ We have installed plenty of dustbins in our school premises at every 20 footsteps to inculcate the habit of disposing the wastes properly.

We always try to give prominence to environmental awareness through our various co-curricular activities like:

- ✓ Essay, Speech, Drawing and Skit Competitions.
- ✓ Cooking without fire activity
- ✓ Plantation drives
- ✓ Litter picking drives
- ✓ Health and hygiene activity.
- ✓ We celebrate GREEN WEDNESDAY every month to maintain a healthy and safe environment by:
 - ✓ Organising Clean your campus drives
 - ✓ Planting & Caring more trees
 - ✓ Quitting the use of plastics
 - ✓ Organisation of expert talks for creating awareness about fitness, health and hygiene
 - ✓ Organisation of "Out of Campus" drives to sensitize different sections of society about the GREEN CONCEPT.

*An ideal Home
Away from Home*

KURDARAM DHINWA
DIRECTOR, JIVEM Hostel

Jhunjhunu Academy Student houses (Hostels) provide the excellent learning facilities, the nutritious and healthy cuisine meals, the lush green surroundings, comfortable rooms and vigilant but caring wardens.

A close-knit atmosphere, combined with a national flavor of students from all across the nation gives the hostel a **MINI INDIA** feel. Personal care and attention is provided to each and every boarder to create a home away from home.

When students enroll in the hostel, they enter a new world of expanded learning opportunities, whether in academics, extra-curricular, or co-curricular activities. They eventually mature into more disciplined and responsible individuals.

Several festivals are planned just for hostellers to offer them with a large platform to exhibit heart-throbbing and vibrant performances with their extraordinary skills in Dance, Singing, and Acting.

This also provides an arena for them to ease out their mental strain and get back to their studies with new enthusiasm and zeal.

Facilities @ Hostel

- ✓ A.C. / Air Cooled & Normal Rooms.
- ✓ Separate hostels for boys & girls.
- ✓ Single/ Double / Multi Seated Rooms.
- ✓ Hygienic showers & washrooms with hot & cold water supply according to season.
- ✓ Separate lockers & wardrobes.
- ✓ On campus first aid and **Doctor On Call** for medical assistance & infirmary facility
- ✓ Team of experts for counseling
- ✓ Adequate ratio of 1 warden per 30 students.
- ✓ Power backup to ensure round the clock electricity supply.
- ✓ Diverse meal menu for a healthy body & spirited mind.
- ✓ Hygienic in-house dining facility which can cater to around 600 students at a time.
- ✓ Evening compulsory remedial classes for most of the subjects.
- ✓ Separate Study rooms and reading rooms for self and supervised study.
- ✓ Movie Night once in a week @ Movie theatre Navrang Kala Mandapam (Except peak exam timing)

FOOD is our Highlight !

We have our own self-managed Hi-Tech Mess where utmost care is taken to prepare healthy & Hygienic food. The Kitchen is equipped with machines & equipments for better, quick & hygienic services:-

- o Fully automated chapati machine.
- o Giant steam boilers for rice & dal
- o Dough Kneading (Aata) Machine
- o Vegetable cutting machine
- o Freezers & chillers

Mr. Kurda Ram Dhinwa is the Director of Jhunjhunu Academy Hostels and he is the one who dedicates all his time to students. He is always directly accessible to all hostellers, whenever they need him. With a very broad vision for managing hostels, Mr. Dhinwa himself looks after the important aspects of hostels, such as food and mess, the safety and security of students, the cleanliness of the premises, and the health and hygiene of students. As a result of his determination, every child in the hostel lives as if he or she is at home. He also personally monitors the academic progress of every hosteller. He ensures that every student gets extra academic help whenever needed to excel in all subjects.

His motto in life is -

*"Eat Healthy &
Keep Learning"*

Parents' TESTIMONIAL

I would like to thank and congratulate the founder members as well as the entire faculty of Jhunjhnu Academy for establishing such a holistic place for the all round development of children. Children are nurtured here with great care and positive learning environment. My child finds joy in learning because of the interesting teaching learning method followed by the efficient teachers. I wish best of luck for their future endeavours.

MUDITA'S
Mumma

It is a very friendly school and has a warm feel. I think there is a wide range of activities for the children, they also get the chance to experience things outside of the school.

PRAGYA'S
Mumma

Excellent care, guidance and support for children, parents & staff. An interesting, engaging broad & balanced curriculum children learn in a safe and happy environment.

I'm very happy to see the changes in my children after sending them to Jhunjhnu Academy. They have shown improved performance in terms of academics, sports as well as extra curricular activities. The teachers and staff are very helpful and friendly. I admire the hard work and efforts put in by the teachers and bringing out the creative talents which are within these kids. Sending them to this school and that too in boarding was a good decision.

PARTH'S
Grand Mumma

My daughter Saivi is currently studying in class 8th, In the small and secure environment that the school provided, she transitioned from a shy and introverted girl to a confident and happy young adult. Most importantly my child was extremely happy during her time here! I can confidently say that Jhunjhnu Academy wisdom city is the best school in Jhunjhnu.

SAIVI'S
Mumma

When they point out mistakes, teachers are nice and courteous. Every month, the school plans amusement events. The school offers many possibilities for students to better their overall growth. Discipline, respect, and responsibility are being taught by educators.

KANIKA'S
Mumma

The environment at the school is lovely. I love this school very much.

Jhunjhnu Academy is the top school of Jhunjhnu district. Here teachers are incredibly smart people. The general growth of the children is strongly encouraged at this institution. The school's playground is sizable. The school has excellent discipline. All children are treated equally. Good approach to teaching & learning.
